Session 6: Propitiation and Redemption with Pastor Colin Smith

Message Outline

1. Propitiation: The Wrath Is Spent
2. Redemption: The Price Is Paid

Discussion Questions

1. Define propitiation and redemption.
2. Why do you think Leon Morris called Romans 3:23–25 “possibly the most important paragraph ever written”?
3. Why can't God just choose to forgive without a sacrifice? In other words, why is propitiation necessary?
4. The wrath of God is not the most popular topic today, but we can't have a strong grasp of the gospel without it. Why do we need to understand the wrath of God in order to understand propitiation?
5. How are propitiation and redemption connected? (See Romans 3:23–25.)
6. Even when we were God's enemies, God presented His Son, Jesus Christ, as propitiation for our sins. What does this tell us about God? (See 1 John 4:10.) How can you deepen your awe of God and His grace?
